PRIVACY POLICY

At Broker Junction, Series L.L.C. (hereafter BJS), we value our customers, and maintaining customer trust and confidence is our highest priority. While it is necessary that we obtain accurate and current information about our customers in order to provide the highest level of customer service, we are dedicated to protecting the privacy and confidentiality of our customers' information.

BJS will never sell your personal information to anyone. We will not use or distribute your personal information in any way without prior notification to you. We promise that we will uphold the privacy policies and procedures as set forth below.

Information We Collect About Our Customers

The personal information we collect from you comes from information you supply to us in account opening applications (whether written or electronic), or in other forms, that you may provide to us. This information may include your name, address, social security number or tax identification number, and financial information about you.

Information regarding your transactions with us including your trading history at BJS, your history of meeting margin calls or your use of the various services and products that we provide.

Information about your credit history and information we may receive from BJS representatives/associated persons and/or other consumer reporting agencies.

"Cookies" are small text files consisting of encrypted information assigned to a computer's browser. Cookies do not collect or transmit your personal information. For users of the non-public areas of our website or electronic trading platforms that require a User ID or password, BJS may use cookies to identify you so that you do not have to input your password multiple times as you navigate our site. BJS may also use cookies for administrative purposes, such as to maintain security on our site.

Information We May Share About Our Customers

BJS will not sell personal information regarding our current or former customers. To the extent that we may engage unaffiliated companies to assist in providing services on our website, such providers will be subject to stringent contractual requirements to maintain the confidentiality of any personal information they may obtain in connection with the performance of their services for us. We will make every effort to make sure that they receive the minimum amount of personal information necessary and will be allowed to retain that information only for as long as necessary in order to provide such services. Such service providers will be allowed to use personal information only in the course of providing services to BJS and only for the purposes that we authorize.

Information We May Disclose

We may disclose information about current or former customers in order to cooperate with legal or regulatory authorities or pursuant to a court order, or subpoena. We may also disclose personal information as necessary to perform credit checks, collect debts, enforce our legal rights, or otherwise protect our interests and property.

Security

BJS is committed to protection of your personal information and of your privacy. Only authorized BJS employees or associated persons will have access to your personal information. All of our employees, affiliates and service providers are held to the highest standards of privacy and security.
